

SUPER SCIENCE SATURDAY IN SURPRISE

Meet the Science Super Heroes of the City of Surprise and see how they use science every day to keep Surprise residents safe!

Get a behind-the-scenes look at a Surprise Fire Station while exploring the science that goes into fighting a fire; learn how the Police Department uses forensic science to solve crimes; and if your stomach can handle it, get the dirty details of the newest technologies used at the Wastewater Treatment Plant.

Join us for an exciting day of interactive demonstrations and learn the science of the city at Super Science Saturday! This free event is fun for all ages.

Surprise Fire Station 305
15517 N. Parkview Place,
Surprise 85374
